

Columbus Day October 12, 2020

Hi there,

Monday, October 12, 2020, the Federal Reserve and banks will be closed. Viventium's offices will be **OPEN**.

Please make sure to review the [payroll schedule](#), and be aware that payrolls processed later than the attached schedule may result in the late funding of your employees' direct deposits and/or your tax deposits, as well as a delay in the delivery of your payroll package. Please call your Dedicated Client Services Team to discuss the [payroll schedule](#) so we can work together to make sure all employees are paid timely.
