

Dear Valued Client,

As communicated on Friday, April 3, in our email entitled [The Latest on COVID-19 SBA Loans and Tax Credits](#), Viventium is firmly positioned to support you through the current COVID-19 crisis and its rapidly evolving legislative changes. Following is a summary of our latest developments.

### **CARES SBA Average Monthly Payroll Report**

Released on Friday, April 3, the [CARES SBA Average Monthly Payroll Report](#) is available in our Viventium software to assist you with your loan application under the Paycheck Protection Program of the CARES Act. Further details of the program are outlined in our [SBA Loans Under the CARES Act](#) "Fact Sheet" available on the [Viventium Coronavirus \(COVID-19\) Update Center](#).

### **Paid Sick, Paid Child Care, Employee Retention, and Health Insurance Tax Credits**

Our Development team has been hard at work updating our system to accommodate all of the legislative changes related to the FFCRA and CARES Act, including emergency sick leave tax credits and child care credits as well as employee retention and health insurance credits. All tax credit codes and related calculations are now live in Viventium software!

### **Client Webinar - Viventium Software: COVID-19 Tax Credits and SBA Loan Payroll Data**

Rest assured, both of the above topics will be covered in our upcoming [webinar](#) (Tuesday, April 7 at 2:00 PM EDT), where we will demonstrate how to accurately setup these various credits and pull the SBA Average Monthly Payroll Report. After viewing this webinar, if you still have questions, visit our [COVID-19 Update Center](#) for more information or contact your Client Service Team who remains in it with you!
