

## **[Webinar] The American Rescue Plan Act of 2021: What It Means to You**

Dear Valued Client,

On March 10, the House approved the American Rescue Plan Act of 2021, and President Biden is expected to sign it into law on Friday, March 12. This latest round of COVID relief builds on previous legislation to bring new assistance to businesses through payroll tax credits and forgivable loans.

Join us for our webinar [The American Rescue Plan Act of 2021: What It Means to You](#) on Thursday, March 18, at 1:00 PM ET, for a breakdown of the new aid available and how your business may gain.

You'll hear from Viventium's veteran payroll expert Yonina F. Shineweather, CPA, for a hands-on analysis of the ARPA and your next steps and will come away understanding:

- The extension of the Employee Retention Credit and how newer businesses can benefit;
- The extension and expansion of FFCRA paid leave credits AND the new pitfall that can bar you from eligibility;
- What's changing about PPP and what's staying the same;
- Which changes you'll need to make to your dependent care programs (DCAP); and
- What new SBA assistance is on the way for restaurants.
