

IMPORTANT COVID Update: Action May Be Required Prior to Quarter-End

Dear Valued Client,

Due to the late release of guidance by the IRS regarding the reset of FFCRA limits for Q2 and Q3 2021, please note the **following urgent action may be needed** before your quarter is closed.

If you have paid FFCRA leave or claimed FFCRA credits during this quarter (2nd quarter 2021), you will need to **recode those credits** using the new 2021 FFCRA codes described in our June 24th webinar.

If you missed the webinar, [FFCRA and 941 Changes for the Remainder of 2021: How to \(Re\)Set Limits](#), or if you would like to review the information again, you can view the recording and slides below.

For support, please reach out to your Dedicated Client Service Team.
